

Publications & Presentations Related to Observed & Experiential Integration

In Press

Wall, J. M., Kwee, J. L., McDonald, M. J., & Bradshaw, R. A. (In Press). Removing barriers to athletic performance enhancement: A hermeneutic case study of OEI, *Journal of Clinical Sport Psychology*.

2014

Bradshaw, R. A., & Detwiler, L. (2014, May). *Observed and Experiential Integration (OEI): A new trauma therapy - theory/research, demonstration, and hands-on experience* (full day workshop). Presentation at the annual conference of the International Association for Counselling, Victoria BC, Canada.

Bradshaw, R. A., & Detwiler, L. (2014, May). *Observed and Experiential Integration (OEI): A new trauma therapy - theory/research, demonstration, and hands-on experience*. Presentation at the annual conference of the Canadian Counselling & Psychotherapy Association, Victoria BC, Canada.

Bradshaw, R. A., McDonald, M. J., Grace, R., Detwiler, L., & Austin, K. (2014). A randomized clinical trial of Observed & Experiential Integration (OEI): A simple, innovative intervention for affect regulation in clients with PTSD. *Traumatology*, 20(3), 161-171. <http://dx.doi.org/10.1037/h0099401>

2013

Bradshaw, R. A. (2013, May). *Observed & experiential integration (OEI): Discovery and development of a new set of trauma therapy techniques*. Invited address (2 hrs.) at the annual conference of the Korean Counseling Psychological Association, Seoul, Korea (**2,000 in attendance**).

Bradshaw, R. A. (2013, May). Getting started with *observed & experiential integration (OEI): Instruction in three trauma therapy techniques*. Invited address (2 hrs.) at the annual conference of the Korean Counseling Psychological Association, Seoul, Korea (150 in attendance).

2012

Bradshaw, R. A. (2012, October). *An introduction to Observed & Experiential Integration (OEI) and B.R.A.I.N.* Presentation at the annual conference of the International Association of Forensic Nurses, Fajardo, Puerto Rico.

Bradshaw, R. A. (2012, October). Sexual assault survivors with PTSD: *Assessment and treatment of trauma and dissociation using three different therapies*. **Keynote address** at the annual conference of the International Association of Forensic Nurses, Fajardo, Puerto Rico (**700 attend**).

Bradshaw, R. A., & Cook, A. (2012). *Interpersonal neurobiology, OEI, & resolution of negative transference: The interplay of neuroscience and marriage & family therapy: An introduction to Observed & Experiential Integration (OEI)*. **Keynote presentation** at the annual general meeting of the British Columbia Association of Marriage & Family Therapists, Vancouver, BC, Canada.

Bradshaw, R. A., & Detwiler, L. (2012). *Introduction to Observed & Experiential Integration (OEI): A new trauma therapy (full day workshop)*. Presentation at the biannual conference of the Association of Traumatic Stress Specialists, Mississauga, Ontario, Canada.

Bradshaw, R. A. (Winter 2012). A word to new psychologists on levels of intervention: Don't forget neurobiological treatments in your training & practice. *BC Psychologist*, 14-18.

Bradshaw, R. A., Cook, A., & McDonald, M. J. (2012). Observed & experiential integration (OEI): Entdeckung und entwicklung neuer techniken in der traumatherapie. In M. Aalberse & S. Gebner-van Kersbergen (Eds.). *Die losung liegt in deiner hand!: Von der energetischen psychologie zur bifokalen achtsamkeit – Emotionsregulation und neurowissenschaften* (pp. 451-538). Tübingen, Germany: Dgvt-Verlag.

Stewart, B. L., & Dadson, M. R. (2012). Integrative therapeutic interventions of phase-oriented treatment: Additional reflections on the case of Lynn. *Journal of Aggression, Maltreatment & Trauma, 21*(3), 331-350.

2011

Bradshaw, R. A., Cook, A., Mariano, M., Jacob, M., McDonald, M., Swingle, P., & Drader, G. (2011, September). Neuropsychology, OEI, and resolution of negative transference. Paper presented at the annual meeting of the American Association of Marriage and Family Therapists, Fort Worth, Texas.

Bradshaw, R. A., Cook, A., & McDonald, M. J. (2011). Observed & experiential integration (OEI): Discovery and development of a new set of trauma therapy techniques. *Journal of Psychotherapy Integration, 21*(2), 104-171.

Stewart, B. L., Dadson, M. R., & Fallding, Marion J. (2011). The application of attachment theory and mentalization in complex tertiary structural dissociation: A case study. *Journal of Aggression, Maltreatment & Trauma, 20*(3), 322-343.

2010

Bradshaw, R. A. (2010, May). *Increasing severity of psychopathology in post-secondary counselling centre clients: Implications for psychotherapy training & upgrading. Keynote address* at the annual meeting of the BC Post-Secondary Counsellors Association, Harrison Hot Springs, BC.

Stewart, B., Cook, A., Bradshaw, R. A., & Dadson, M. R. (2010, July). *Preventing burnout: Therapeutic approaches that safeguard both client and clinician from (re)traumatization when working with developmental trauma*. Poster presented at the International Congress of Applied Psychology, Melbourne, Australia.

Stewart, B., Lauder, J., Cook, A., & Bradshaw, R. A. (2010). *Integrative approaches for treating complex developmental trauma: Utilizing the therapeutic relationship to process attachment wounds*. Paper presented at the 21st Annual International Trauma Conference, Psychological Trauma: Neuroscience, Attachment, and Therapeutic Interventions, Boston, MA.

2009

Bradshaw, R. A., Cook, A., McDonald, M., Williams, K., Ndunda, K., & Lauder, J. (2009, May). Late phase – OEI solidification: Research & cross-cultural transfer. In R. Bradshaw (Chair), *OEI: A story of the innovation process in the development of an integrative psychotherapy*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.

Bradshaw, R. A., Cook, A., Tonnisen, L., & Stewart, B. (2009, May). Middle phase – OEI extensions: Adding refinements. In R. Bradshaw (Chair), *OEI: A story of the innovation process in the development of an integrative psychotherapy*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.

Bradshaw, R. A., & Detwiler, L. (2009, May). *One eye integration (OEI) --- A new therapy for posttraumatic stress disorder (PTSD): Theory, research and introductory skill training* (3 hrs.).

Paper presented at the annual meeting of the Canadian Counselling Association, Saskatoon, Saskatchewan.

- Bradshaw, R. A., & Detwiler, L. (2010, October). *OEI: An introduction to Observed & Experiential Integration*. Paper presented at the biannual meeting of the Association of Traumatic Stress Specialists, Toronto, Canada.
- Bradshaw, R. A., McDonald, M., Swingle, P. G., Heinrichs, K., Faas, L., & Mariano, M. (2009, November). *Toward DSM-V: Psychophysiological (qEEG) correlates of PTSD subtypes*. Paper presented at the annual meeting of the International Society for Traumatic Stress Studies, Atlanta, GA.
- Bradshaw, R. A., Stewart, B., & Lauder, J. (2009, May). Applications to work with adults diagnosed with complex PTSD, DDNOS, and DID. In R. Bradshaw (Chair), *OEI for trauma, dissociation, & attachment: Work with adults & children*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.
- Cook, A., Bradshaw, R. A., & Shaler, E. (2009, May). Early phase – OEI origins: Initial discoveries. In R. Bradshaw (Chair), *OEI: A story of the innovation process in the development of an integrative psychotherapy*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.
- Cook, A., Heinrichs, K., Wilk, D., Wilk, L., & Bradshaw, R. A. (2009, November). Integration of couples therapy with OEI for relational trauma processing. In R. Bradshaw (Chair), *Incorporating One Eye Integration (OEI) techniques improves the effectiveness of traditional therapies in cases of complex trauma*. Symposium presented at the annual meeting of the Society for the Study of Trauma and Dissociation, Washington, DC.
- Lauder, J., Bradshaw, R. A., & Stewart, B. (2009, May). Applications of expressive therapies: Traumatized children & adolescents. In R. Bradshaw (Chair), *OEI for trauma, dissociation, & attachment: Work with adults & children*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.
- Lauder, J., Brhelle, A., Stewart, B., Bradshaw, R. A., Bedford, M., & Tonnisen, L. (2009, May). Body therapies integrated with OEI: Multidisciplinary trauma treatment. In M. McDonald (Chair), *Integration of OEI trauma therapy with body therapies, couples counselling, and existential analysis*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.
- Lauder, J., Bradshaw, R., Stewart, B., Bedford, M., Brhelle, A. & Tonnisen, L. (2009, November). Body therapies integrated with OEI: Multidisciplinary trauma treatment. In R. Bradshaw (Chair), *Incorporating One Eye Integration (OEI) techniques improves the effectiveness of traditional therapies in cases of complex trauma*. Symposium presented at the annual meeting of the Society for the Study of Trauma and Dissociation, Washington, DC.
- McDonald, M., & Bradshaw, R. A. (2009, May). OEI and existential analysis: Multilevel integration of approaches & techniques. In M. McDonald (Chair), *Integration of OEI trauma therapy with body therapies, couples counselling, and existential analysis*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.
- McDonald, M., Bradshaw, R. A., & Stewart, B. (2009, November). OEI and existential analysis: Multilevel integration of approaches & techniques. In R. Bradshaw (Chair), *Incorporating One Eye Integration (OEI) techniques improves the effectiveness of traditional therapies in cases of complex trauma*. Symposium presented at the annual meeting of the Society for the Study of Trauma and Dissociation, Washington, DC.

Stewart, B., Bradshaw, R. A., & Cook, A. (2009, June). Transference, dissociation, & disorganized attachment: Observed & Experiential Integration (OEI) for work with complex developmental trauma. Poster session presented at the International Psychological Trauma Conference: Neuroscience, Attachment and Therapeutic Interventions, Boston, MA.

Stewart, B., Bradshaw, R. A., & Lauder, J. (2009, May). Attachment theory & OEI work with traumatized, dissociative clients and groups. In R. Bradshaw (Chair), *OEI for trauma, dissociation, & attachment: Work with adults & children*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.

Stewart, B., Dadson, M., & Bradshaw, R. A. (2009, November). *Accelerated integration: The contributions of neurotherapy and one eye integration*. Paper presented at the annual meeting of the Society for the Study of Trauma and Dissociation, Washington, DC.

Wilk, D., Wilk, L., & Bradshaw, R. A. (2009, May). Integration of couples therapy with OEI for relational trauma processing. In M. McDonald (Chair), *Integration of OEI trauma therapy with body therapies, couples counseling, and existential analysis*. Symposium conducted at the annual meeting of the Society for Exploration of Psychotherapy Integration, Seattle, WA.

2008

Bradshaw, R. A. (2008, April). One eye integration (OEI): An innovative and flexible therapy for complex PTSD and dissociation. In R. Kluft (Chair), *Clinical approaches and effectiveness*. Paper session conducted at the annual meeting of the European Society for the Study of Trauma and Dissociation, Amsterdam. Available at:
<http://www.estd.org/conferences/presentations/rick%20bradshaw.pdf>

Bradshaw, R. A., & Cook, A. (2008). *Toward integration: One eye at a time – Client handbook*. Vancouver, B.C.: SightPsych Seminars.

Bradshaw, R. A., & Detwiler, L. (2008, April). *One eye integration for PTSD*. Paper presented at the annual meeting of the Association of Traumatic Stress Specialists, Portland, Maine.

Bradshaw, R. A., & Detwiler, L. (2008, October). One Eye Integration (OEI) for posttraumatic stress disorder (PTSD): Theory, research and introductory skill training. Paper presented at the annual meeting of the B.C. Post-Secondary Counsellors' Association (3 hrs.), White Rock, B.C., Canada.

2007

Allard, D., McDonald, M., Bradshaw, R., Domene, J., Warren, M., & Houghton, J. (2007, November). Comparative treatment outcome following exposure to two trauma therapies. In R. Bradshaw (Chair), *"Is this sheet clean?": The importance of cross-over designs in trauma treatment outcome research*. Symposium presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.

Amos, D. M., McDonald, M., Bradshaw, R., & Grice, D. C. (2007, May). Dissociation and recovery in female sexual assault survivors. In M. McDonald (Chair), *"It's gonna get worse before it gets better": Methods issues in research on dissociation in trauma therapy*. Symposium conducted at the annual meeting of the Western Psychological Association, Vancouver, B.C., Canada.

Bradshaw, R., McDonald, M., Heinrichs, K., Warren, M., Stewart, B., & Bowden, H. (2007, May). Clinical assessment & treatment of trauma & dissociation in a treatment outcome study. In M. McDonald (Chair), *"It's gonna get worse before it gets better": Methods issues in research on dissociation in trauma therapy*. Symposium conducted at the annual meeting of the Western Psychological Association, Vancouver, B.C., Canada.

- Bradshaw, R., McDonald, M., Ndunda, K., Williams, K., Warren, M., & Allard, D. (2007, November). Quantitative results of trauma therapy cross-over for OEI and CPT-R. In R. Bradshaw (Chair), *"Is this sheet clean?": The importance of cross-over designs in trauma treatment outcome research*. Symposium presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.
- Bradshaw, R. A., Swingle, P. G., McDonald, M., Williams, K., Pinoesch, S., & Mariano, M. (2007, November). An 18-month RCT: Application of quantitative EEG to assessment of trauma and dissociation. In R. Bradshaw (Chair), *Quantitative findings from an 18-month randomized clinical trial for PTSD, complex PTSD, and dissociative disorders following sexual assaults: One eye integration (OEI), cognitive therapy (CPT-R) and a relaxation control (B.R.A.I.N.)*. Symposium presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.
- Grice, D. C., McDonald, M., Bradshaw, R., & Amos, D. M. (2007, May). Dissociation, PTSD, and trauma narratives in women sexual assault survivors. In M. McDonald (Chair), *"It's gonna get worse before it gets better": Methods issues in research on dissociation in trauma therapy*. Symposium conducted at the annual meeting of the Western Psychological Association, Vancouver, B.C., Canada.
- Houghton, J. N., McDonald, M., Bradshaw, R. A., & Domene, J. F. (2007, November). Assessing perceived effectiveness of trauma therapies: Qualitative analysis of interviews. In R. Bradshaw (Chair), *"Is this sheet clean?": The importance of cross-over designs in trauma treatment outcome research*. Symposium presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.
- Houghton, J., McDonald, M., Bradshaw, R., Domene, J., & Allard, D. (2007, May). Use of qualitative interviews to assess differences in treatment response to trauma therapies. In R. A. Bradshaw (Chair), *Mixed methods study of treatment outcomes for sexual assault survivors*. Symposium conducted at the annual meeting of the Western Psychological Association, Vancouver, B.C., Canada.
- Khym, J., McDonald, M., Bradshaw, R. A., Domene, J. F., Allard, D., Houghton, J. N., & Warren, M. (2007, November). Assessing perceived effectiveness of trauma therapies: Content analysis of interviews. In R. Bradshaw (Chair), *"Is this sheet clean?": The importance of cross-over designs in trauma treatment outcome research*. Symposium presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.
- McDonald, M., Bradshaw, R. A., Bedford, T., & Drader, G. (2007, November). *Inside an RCT for trauma therapy outcome evaluation: Therapist and researcher perspectives*. Forum presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.
- McDonald, M., Bradshaw, R., Grice, D. C., & Amos, D. M. (2007, November). An 18-month RCT: VAMs, SAMs, and dissociation during trauma assessments. In R. Bradshaw (Chair), *Quantitative findings from an 18-month randomized clinical trial for PTSD, complex PTSD and dissociative disorders following sexual assaults: One eye integration (OEI), cognitive therapy (CPT-R) and a relaxation control (B.R.A.I.N.)*. Symposium presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.
- Ndunda, K., Bradshaw, R., & McDonald, M. (2007, November). An 18-month RCT: Treatment comparisons using the IES-R, SADS-MG & SADS-CG. In R. Bradshaw (Chair), *Quantitative findings from an 18-month randomized clinical trial for PTSD, complex PTSD, and dissociative disorders following sexual assaults: One eye integration (OEI), cognitive therapy (CPT-R) and a relaxation control (B.R.A.I.N.)*. Symposium presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.

Ndunda, K., Bradshaw, R., McDonald, M., McInnes, J., & Pinoesch, S. (2007, May). Use of self-report questionnaires in the comparative assessment of PTSD and social avoidance & distress symptoms following trauma therapies. In R. A. Bradshaw (Chair), *Mixed methods study of treatment outcomes for sexual assault survivors*. Symposium conducted at the annual meeting of the Western Psychological Association, Vancouver, B.C., Canada.

Stewart, B., Domene, J., & Bradshaw, R. A. (2007, November). *Avoidance and dissociation: The relationship of attachment in survivors of sexual trauma*. Paper presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.

Williams, K., Bradshaw, R., McDonald, M., & Heinrichs, K. (2007, November). An 18-month RCT: Comparisons between treatment conditions on the CAPS, TRGI, and BDI-II. In R. Bradshaw (Chair), *Quantitative findings from an 18-month randomized clinical trial for PTSD, complex PTSD and dissociative disorders following sexual assaults: One eye integration (OEI), cognitive therapy (CPT-R) and a relaxation control (B.R.A.I.N.)*. Symposium presented at the annual meeting of the International Society for the Study of Trauma and Dissociation, Philadelphia.

Williams, K., Bradshaw, R., McDonald, M., Swingle, P., Mariano, M., Pinoesch, S., & Larsen, N. (2007, May). QEEG, self-report scales & structured interviews in the comparative experimental assessment of trauma therapies. In R. A. Bradshaw (Chair), *Mixed methods study of treatment outcomes for sexual assault survivors*. Symposium conducted at the annual meeting of the Western Psychological Association, Vancouver, B.C., Canada.

2006

Houghton, J. N., McDonald, M. J., & Bradshaw, R. A. (2006, June). *Cognitive processing therapy and one eye integration: Tailoring treatments for female survivors of sexual assault*. Poster session presented at the annual meeting of the Canadian Psychological Association, Calgary, AB.

2004

Bradshaw, R. A. (2004, February). Overview of research and clinical practice of One Eye Integration (OEI). In J. Wakefield (Chair), *Clinical panel on innovations in psychotherapy*. Symposium conducted at the First International Conference on Energy Psychology in Psychotherapy, Vancouver, Canada.

Bradshaw, R. A., Grace, R., & Swingle, P. (2004, July). *An exploration of trauma-specific frontal lobe brainwave activity and posttraumatic symptomatology before and after the application of a specific bilateral stimulation and integration technique*. Paper presented at the Neuroscience Symposium of the American Scientific Affiliation Conference, Langley, British Columbia, Canada.

2002

Cook, A., & Bradshaw, R. A. (2002). *Toward integration: One eye at a time – Clinician Manual* (2nd ed.). Vancouver, B.C.: SightPsych Seminars.

2001

Cook, A. & Bradshaw, R. A. (2001, October). *Can You Believe It?* Workshop presented at the EMDR Association of Canada Conference, Vancouver, British Columbia, Canada.

Cook, A., & Bradshaw, R. A. (2002, July). *Integration of the head and heart*. Workshop presented at the Second International Meaning Conference, Richmond, British Columbia, Canada.

1999

Cook, A., & Bradshaw, R. A. (1999). *Toward integration: One eye at a time – Clinician Manual*. Vancouver, B.C.: SightPsych Seminars.
